

OTPme - Feature #38

add support for push-token (e.g. sms)

03 February 2015 19:08 - The 2nd

Status:	Erledigt	Start date:	03 February 2015
Priority:	Normal	Due date:	
Assignee:	The 2nd	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:	OTPme 0.2		
Description			
there should be a token type, with a static password, that will generate an OTP for the user and send it via SMS.			
<ul style="list-style-type: none">• instead of sending the OTP it should be passed to an external script for delivery• it should be possible to add a phone number to the token which will be passed to the delivery script
