

OTPme - Feature #74

Feature # 56 (In Bearbeitung): Implement OTPme scripts
Feature # 57 (In Bearbeitung): Implement signing of OTPme scripts

Implement signature tags

27 December 2016 23:26 - The 2nd

Status:	In Bearbeitung	Start date:	27 December 2016
Priority:	Normal	Due date:	
Assignee:		% Done:	70%
Category:		Estimated time:	0:00 hour
Target version:	OTPme 0.3		
Description • we should support signatures with different tags (e.g. dev-server) • when specifying valid signers (e.g. AUTH_SCRIPT_SIGNERS) it should be possible to specify sign tags			

History

#1 - 07 August 2018 14:21 - The 2nd
- % Done changed from 30 to 70

- Implemented signing tags to check e.g. if the signer is member of a given group
