OTPme - Feature #75

Add search index

21 January 2017 01:52 - The 2nd

Status:	In Bearbeitung		**Start date:**	21 January 2017
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	60%
Category:			**Estimated time:**	0:00 hour
Target version:	OTPme 0.3			

Description

- We need a fast index to search objects by attribute and ACL
- Use sqlalchemy to be independent of RDBMS

History
